HOWARD LOCKE,	} Selectmen of Somersworth.
SAM'L S. ROLLINS,	
GEO. M. HANSON,	
JOHN A. BURLEIGH,	
STEPHEN S. CHICK,	

We the undersigned, Auditors of Accounts for the Town of Somersworth for the year 1861, have examined the books of the Treasurer for said year ending Feb'y 15, 1862. The books are kept in accordance with the system adopted by the town. The entries and postings are correctly made, the columns accurately cast, and the charges for cash paid out sustained by proper vouchers, and the trial balance agrees with the ledger footings.

OLIVER H. LORD, } Auditors.
D. G. ROLLINS, }

To the Selectmen of Somersworth, Gentlemen :—

Expecting, as I do, to be absent for several months at least, I herewith submit the following Report of the doings of the Police Court, from the first day of February to the first day of October :

The number of Civil Cases entered are	19
“ “ Criminal Cases entered are	27

The Criminal Cases have been disposed of as follows, viz :

Fined, (settled)	4
Appealed,	2
Discharged,	2
Bound over to Supreme Judicial Court,	3
Went to jail in default of payment of fine and costs.	2
House of Correction, (direct)	11
“ “ “ in default,	3

At the June Session of the Legislature this year, several

important changes were made in the Police Laws of the State. The law punishing persons found drunk, either in the streets or in dwellings, &c., by fine, the same as other Police offences, was re established. An Act was also passed, by which, any person convicted of a Police offence (that is, against the Police of Towns,) may in default of payment of fine and costs, be committed to the House of Correction in such town, until the same is paid, instead of to the County Jail, as heretofore. This is an important law for us, as we can support our criminals on our town farm, where they can be made to labor, cheaper than at the County Jail.

The Receipts for the space of time embraced in this Report have been small. The war now existing has deprived us of a large part of the persons who have usually figured in our Police Court. The general prostration of business, also, has not been without its effects on this institution.

I shall leave the business in the hands of my associate, John C. Hill, Esq., and I doubt not it will be faithfully performed.

The whole amount received by me for fines and costs in criminal matters, and for entries in civil suits, has been \$16.36, which I have paid over to the Treasurer.

I remain, Gentlemen, your Ob't Servant,

GEO. W. BALLOCH, POLICE JUSTICE.

State of New Hampshire, Strafford, SS. Oct. 7, 1861.

Personally appeared Geo. W. Balloch, as above, and made oath that the above Report, by him subscribed, is true. Before me,

J. A. BURLEIGH, JUSTICE OF THE PEACE.

To the Selectmen of the Town of Somersworth, Gentlemen:

I herewith submit to your consideration a Report of the doings of the Police Court, from Oct. 1, 1861, to

Feb. 15, 1862.

The whole number of cases, Civil and Criminal, entered on the Dockets, are	18
The whole number of persons who have been ar- raigned before the Court, are	12
Fined, (settled)	4
Sent to House of Correction,	2
Sent to Jail,	2
Bound over for trial at S. J. Court,	3
Discharged,	1

The amount of money received by me for fines and costs in criminal matters has been \$12.02, which has been paid over to the Town Treasurer.

I am, Gentlemen, your Ob't Servant,

JOHN C. HILL,

Associate Police Justice of Somersworth.

State of New Hampshire, Strafford S. S. Feb. 21, 1862.

Personally appeared John C. Hill, Associate Police Justice, and made oath that the above account, by him rendered, is just and true. Before me,

The above list contains two hundred and eighty-six people, who have received assistance from the Town of Somersworth during the year ending February 1, 1862.

It will be perceived by the foregoing accounts, published by the Treasurer, that a large amount has been expended for the support of paupers outside of the Alms House.— This, in my opinion, is one of the worst of evils; and is calculated to encourage, rather than prevent, pauperism. In almost every instance where I have assisted a family which contained one able-bodied man, I have found that something besides a lack of employment was the cause of the pauperism. There are some cases where it is well to furnish some relief to families at their own dwellings, but where the town are compelled to pay house rent and furnish nearly all the supplies for the family, such families should, at once, be removed to the Alms House. The only reason I have to give why this course has not been pursued, is the lack of room at the Alms House. I hope, for

the benefit of the town, that an addition of from ten to fifteen sleeping rooms may shortly be made to our present buildings on the farm. Every pauper who receives the whole, or nearly all of his or her support from the town, should receive it at the farm. I hope the town will make the necessary appropriation to so enlarge our buildings at the Farm as to enable the Overseer of the Poor to move both Town and County Paupers to the Alms House.
